1. **Log into the cluster**
   Portal.aci.ics.psu.edu

2. **Login with your PSU credentials**

3. **Create interactive desktop**
   RHEL7 Interactive Desktop
   -MATE (Gnome 2)
   -wff3_g_g_lc_icds-training
   -4 hours
   -ACI-b Standard Node

4. **Get QIIME2 fired up**
   QIIME2: This is installed in a conda environment named qiime2.

   ```
   $ module use /gpfs/group/RISE/sw7/modules
   $ module load anaconda
   $ conda activate qiime2
   ```

5. **Go to the tutorial:**
   https://docs.qiime2.org/2021.4/tutorials/moving-pictures/
